A Message from our President & Board Chair

Dear valued members of our Lighthouse community,

We are thrilled to share with you the amazing progress we have made at Lighthouse over the past year. With your unwavering support, for many years, we have continued to evolve and expand our programming to meet the growing needs of our community. We cannot thank you enough for your generous contributions and continued heartfelt dedication to our mission.

At Lighthouse, our goal is to build equitable communities that alleviate poverty in partnership with and in service to individuals, families, and organizations. It has been an absolute honor to work alongside our dedicated staff, volunteers, and community partners to become a beacon of hope for thousands of families and individuals in need. We are proud to offer emergency food, shelter, housing, and financial stability programs, while also addressing the systemic barriers that perpetuate poverty for so many struggling families.

In February 2023, we took on the leadership of three runaway and homeless youth programs previously operated by Common Ground: Sanctuary, A Step Forward, and Graduated Apartment Program (GAP). We are proud to now be serving unaccompanied youth, families, and single individuals. This expansion is a testament to our commitment to helping those who need it most.

We are also excited to announce our campus redevelopment and expansion project. This project will transform our current headquarters into a central base of operations and a “one stop shop” for Oakland County residents in need. The Lighthouse Campus is a game-changing opportunity for us to provide a long-term, sustainable response to homelessness, poverty, and inequity in our community. With your continued support, we can address the lack of affordable housing, public transportation, and support services that threaten the health and vitality of our entire community and local economy.

We want to extend our heartfelt gratitude for the incredible support you have provided Lighthouse over the years. Without your help, we could not have served so many deserving families and individuals in need. Your generosity and kindness have truly made a difference in the lives of so many.

Thank you for helping us light the way and continue our life-changing work for those in need. We are deeply grateful for your support and look forward to continuing our partnership for years to come.

Ryan Hertz, MSW
President and CEO

Richard Lewnau
Board Chair

Strategic Approach

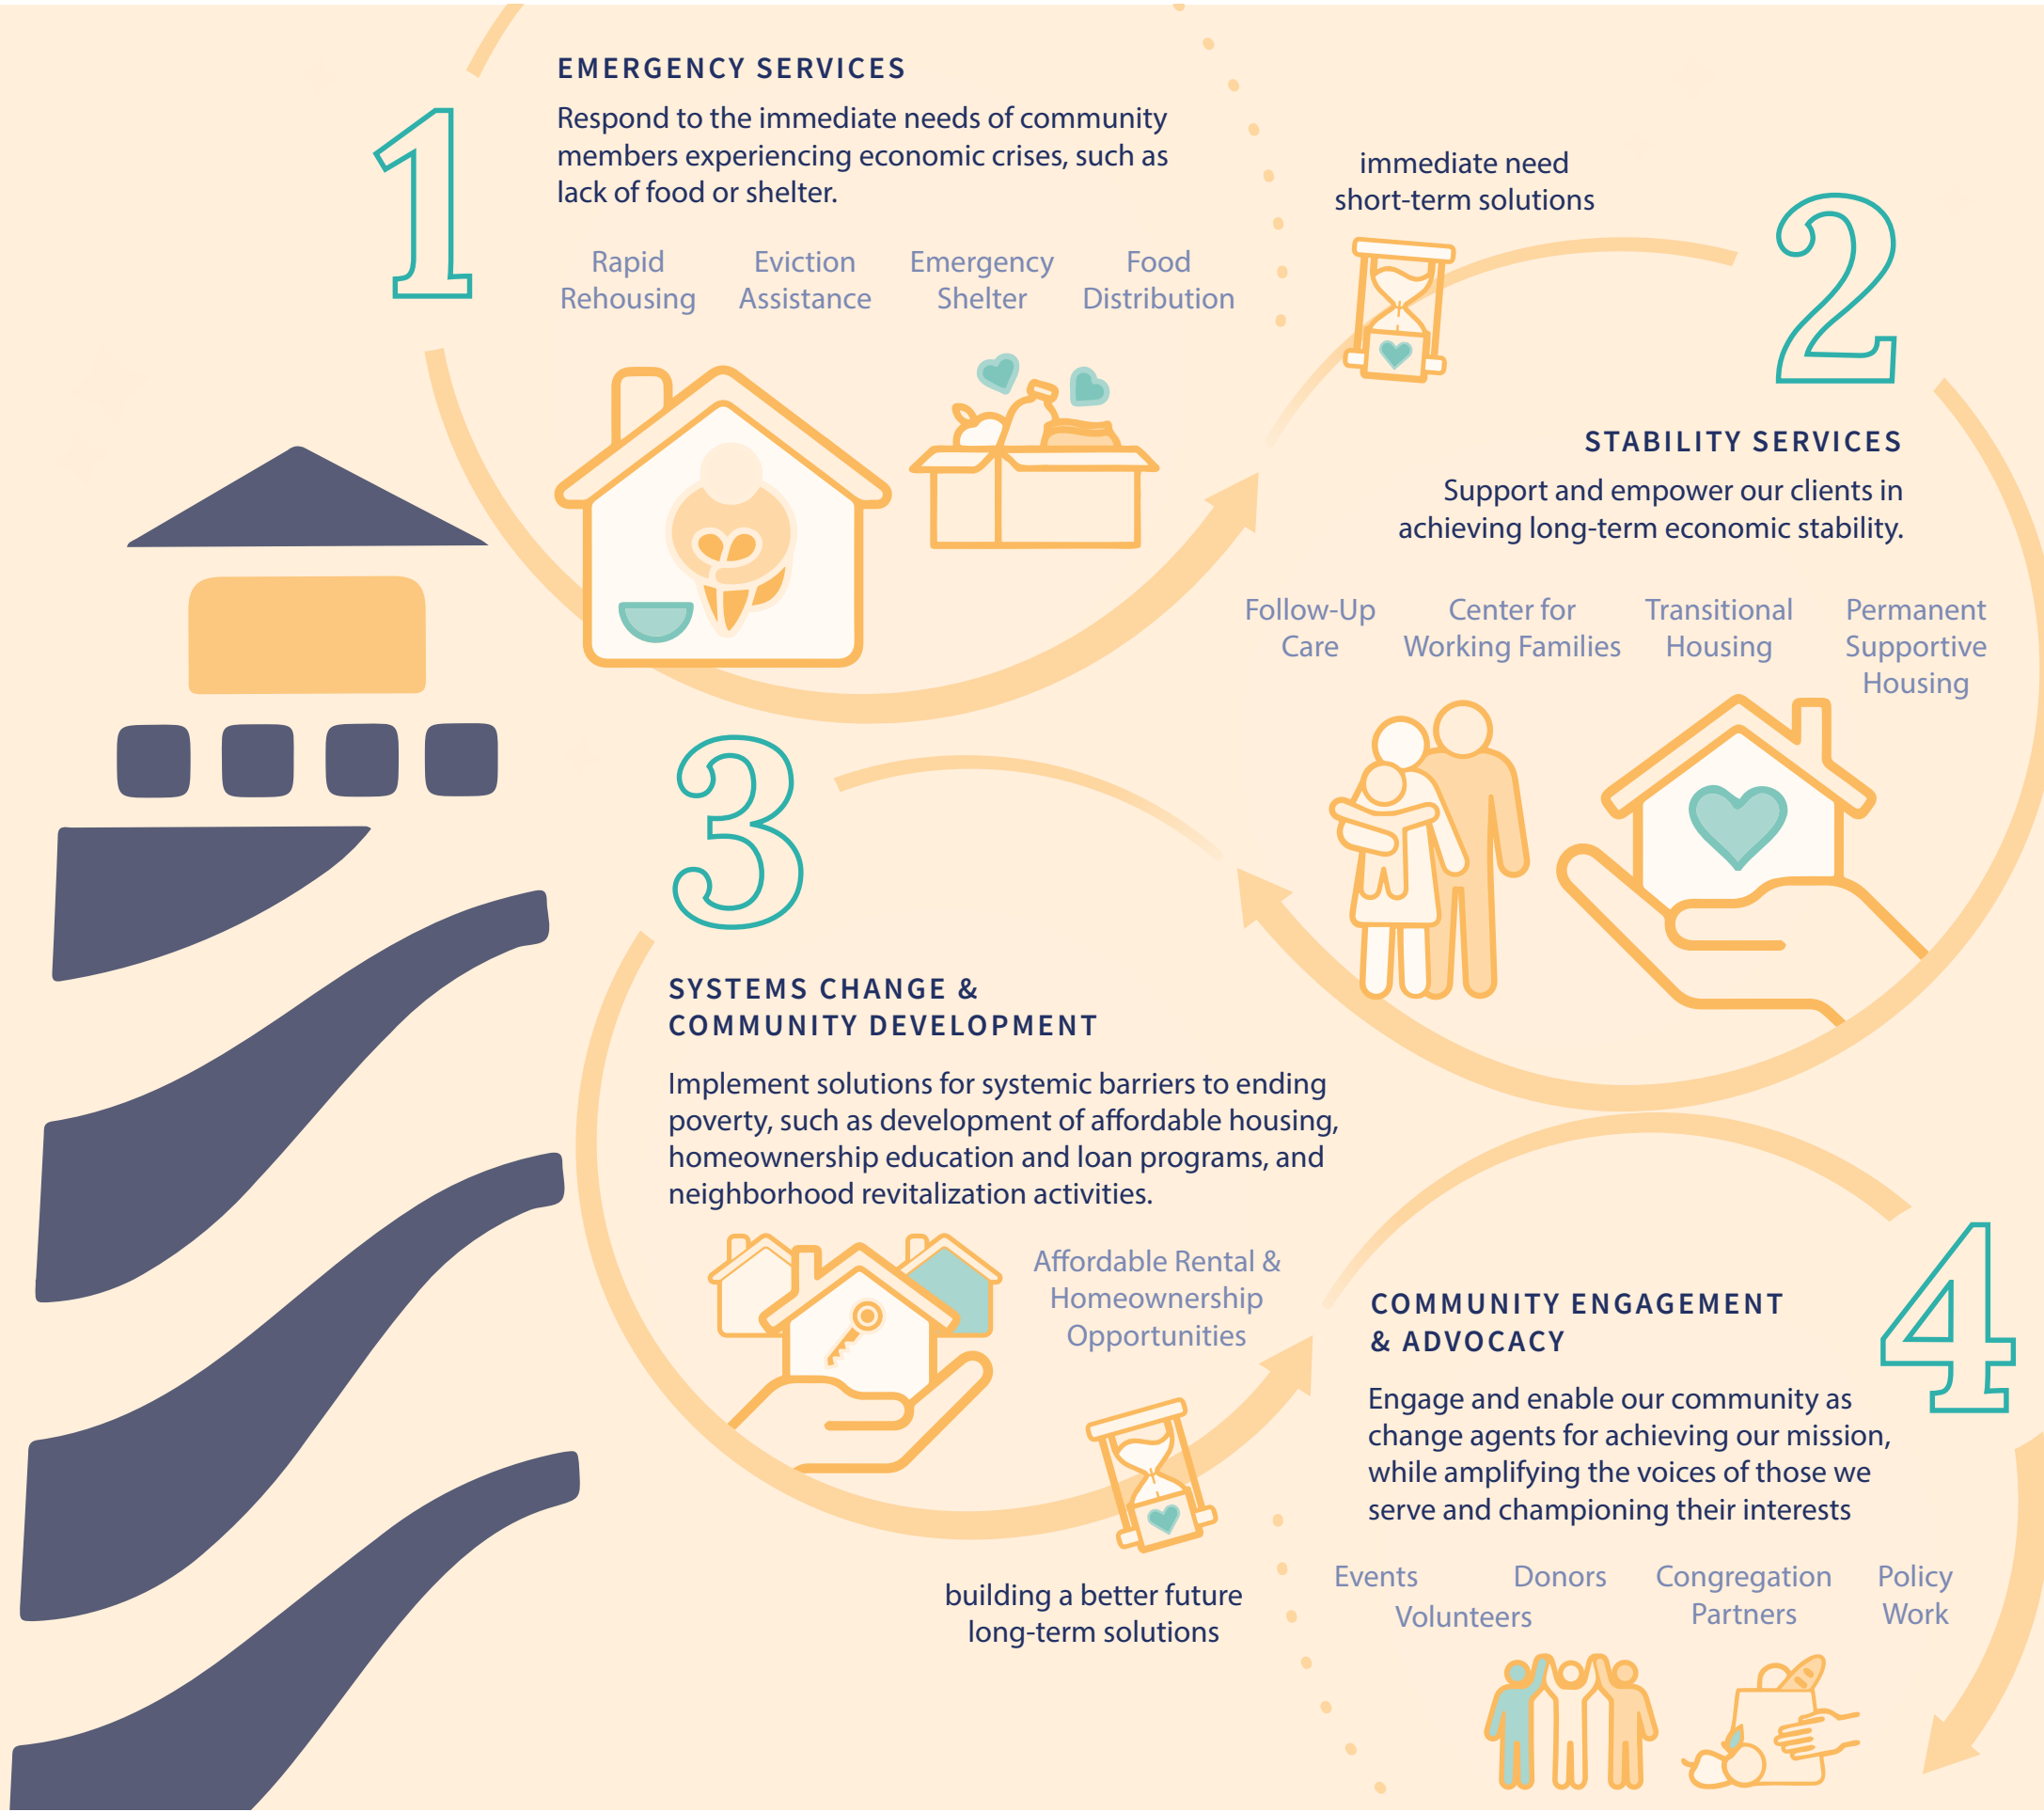

South Oakland Shelter and Lighthouse of Oakland County merged on July 1, 2019. With over 85 years of combined experience, the new Lighthouse has grown and become a beacon of hope for more individuals than ever before.

MISSION
We endeavor to build equitable communities that alleviate poverty in partnership with and in service to individuals, families, and organizations.

LIGHTHOUSE CORE VALUES

-  **Compassion**
Understanding that every person is unique and doing their best
-  **Equity**
Striving for fairness and actively seeking out varying perspectives
-  **Advocacy**
Amplifying the voices of those we serve and championing their interests
-  **Collaboration**
Willingness to diminish self-interest for the sake of community needs, and to share our lessons learned
-  **Innovation**
Eagerness to try new things and adapt to changing circumstances
-  **Stewardship**
Honoring the trust placed in us by deliberately and transparently managing resources

Programs

To accomplish our mission, our strategy is to address the immediate needs of people in crisis, provide long-term housing and economic solutions for households served, and create systems change largely by addressing affordable housing gaps throughout Oakland County.

Emergency Services

Emergency Food Distribution

Lighthouse continues to distribute food and other necessities through a home delivery system, at our food pantries in Pontiac and Clarkston, and at partner locations throughout the county. Lighthouse makes every effort to provide well-balanced food boxes packed with fresh produce, milk, bread, and pantry staples such as pasta, cereal, canned meats, peanut butter, jelly, soups, and beans. Between our partnership with Amazon Flex and our volunteer drivers, we completed 14,520 at-home deliveries in 2022.

In 2022, we served
21,503 households
with food throughout
the entire county.

Homelessness Prevention

Preventing evictions protects families from the traumas of experiencing homelessness and aids them in more swiftly regaining stability.

Across all of our eviction prevention programs, Lighthouse assisted **1,856 households** in preventing their eviction and maintaining their housing.

Emergency Shelter

Lighthouse was thrilled to open our permanent family emergency shelter in 2021. This new shelter provides the community with 18 units and 54 beds of emergency shelter dedicated to families. Of those who exited our shelter programs in 2022, 77.5% transitioned from shelter to housing.

In 2022, Lighthouse served
434 individuals
(including 244 children)
with **30,943 nights**
of emergency shelter,
daily meals, and essential
services to connect them
to housing.

Runaway & Homeless Youth Programs

In February 2023, Lighthouse assumed leadership of three runaway and homeless youth programs previously operated by Common Ground: Sanctuary, A Step Forward, and Graduated Apartment Program (GAP).

Sanctuary is a short-term, safe shelter for youths ages 10-17 who have run away, are homeless, or are in an abusive, hostile, or intense situation at home.

A Step Forward is a safe and home-like transitional living shelter for homeless youth (ages 16-17). Designed for youth seeking self-sufficiency, this program also offers counseling, job training, career development, educational assistance, financial subsidies, and medical assistance.

The Graduated Apartment Program (GAP) provides independent living services for youth ages 18-24 years old who are experiencing homelessness. GAP offers up to 24 months of housing, case management, counseling, and educational and employment support to help people develop a greater level of self-sufficiency, interpersonal skills and housing readiness.

These important programs serve
135 youth
annually.

Stability Services

Rehousing Programs

Lighthouse implements a variety of housing programs that move households from homelessness to housing. Some programs offer long-term financial assistance for those experiencing domestic violence or those who have experienced chronic homelessness, and others assist households who are experiencing homelessness for the first time and need just a few months of assistance to regain stability.

Across all our housing programs in 2022, Lighthouse served **207 total households**, including **62 households** in our Rapid Re-Housing Program and **145 households** in our Medium-Long Term Housing Programs.

HandUp

Many of the needs households have are unique or not covered by existing grant and funding streams. Lighthouse helps households meet these needs through our flexible online fundraising platform, HandUp. Since inception, we have raised nearly \$4.5 million on HandUp to support projects and clients at Lighthouse. These funds have helped support our programs and helped over 1,000 clients meet their goals by providing funds for housing, transportation, education, medical expenses, and other basic needs.

Supportive Services

Our supportive services offer ongoing support to help households retain their housing and increase their overall stability. Individuals enrolled in our housing programs are provided with consistent in-home case management. Our team works together with our clients to establish service plans that are specific to the clients' needs, goals, and desires.

93% of clients that exited from Stability Service programs retained their housing and increased their self sufficiency in 2022.

Systems Change and Community Development

Affordable Housing Development

While it is critical that we meet the emergency needs of those experiencing poverty, to truly address multigenerational systemic poverty we must go beyond resolving household level crises. We must also provide long-term affordable housing options that provide families with the foundation needed to focus on long-term goals, achieve stability, and end intergenerational poverty. Tens of thousands of Oakland County households are rent burdened -- paying more than 30% of their pretax income on rent. Lighthouse addresses this need through a multifaceted strategy that currently includes building and developing new affordable housing and acquiring and renovating existing affordable housing.

Through these efforts, in 2021 Lighthouse partnered with the Pontiac Housing Commission to secure \$40.3M to rehab 234 affordable housing units at Carriage Circle. This important project will be completed in Spring 2023 and will greatly improve the quality of life of the over 300 residents.

Lighthouse is also proud to operate Coolidge Place, a 64-unit affordable housing complex in Oak Park, as well as Beacon Square, Beacon Townhouses, Whittemore Place, and scattered-sight single family homes in the Unity Park neighborhood, which provide a total of 65 affordable housing units.

We're also committed to efforts around homeownership and increasing the number of homeowners, especially within the City of Pontiac. In 2022, we reevaluated two rental properties and were able to move forward with providing two new homeownership opportunities, while creating a down payment assistance program, which you'll hear more about soon!

Expansion Project

“For too long, the problem of poverty has been ignored in our community. But we can’t ignore it any longer. COVID is still having a lingering effect on so many families. Add to that inflation and skyrocketing costs of living – all these things have left more people than ever struggling to make ends meet. The Lighthouse Campus will provide a convenient place for residents to receive the support they need.”

– Richard Lewnau,
Lighthouse Board President

The Lighthouse Campus
Lighthouse is pursuing plans to redevelop its headquarters at 46156 Woodward Ave. in Pontiac into a strong, centralized base of operations, and a “one stop shop” for Oakland County residents in need. Pending site plan approval, construction for the project could begin in 2024 and be complete by 2025.

The Lighthouse Campus will include elements to combat homelessness, address food insecurity, and provide supportive services, and will include:

- 1 **A Housing Opportunity Center**, with interim housing in private quarters and supportive services, where families in need of shelter can reside safely as they work to obtain stable housing.
- 2 **A Social Supermarket**, where residents can shop without cost for the items they need, while connecting with a social worker who can help them access additional stabilization services.
- 3 **An Economic Opportunity Center**, where anyone in need can connect to social workers, access computers, receive financial and employment coaching, and more.
- 4 **Multiple community spaces**, where guests can gather to eat and connect, and community/congregation partners can host activities, provide support and create opportunities for volunteer engagement.

Shine Your Light for the Holidays

Lighthouse aims to provide holiday cheer to local families in need throughout the holiday season. Our Thanksgiving and Adopt-a-Family programs bring a little help and hope to thousands of individuals each year. These programs are made possible because of thousands of supporters who make donations, host food drives, and adopt families in need.

THANKSGIVING:

In 2022, Lighthouse was able to provide a full Thanksgiving meal to 2,334 local families in need thanks to the incredible support we received from businesses, schools, congregations, community groups, and individuals! There were 101 groups that helped collect and donate 49,262 pounds of food. Overall, 292 volunteers donated over 800 hours of their time to sort donations, pack food boxes, and help distribute food. We are truly in awe of how much support we received this year and thankful so many families had a meal this Thanksgiving because of your generosity!

ADOPT-A-FAMILY:

In 2022, 618 local families in need were adopted for the holidays thanks to the generosity of over 300 local individuals, families, and organizations. Special thanks to the 353 volunteers who gave 1,400 hours of time to this important program. We are so thankful to help bring joy to so many men, women, and children during this special season.

Volunteerism & Community Partnerships

Lighthouse could not provide assistance to so many families in need without your help! Be a part of our community’s response to poverty. To volunteer, advocate, or donate please contact us at beacon@lighthousemi.org or 248.920.6000.

Community Partnerships

We rely on local businesses, organizations, and groups to help us meet the basic needs of our clients. Whether you’re interested in hosting a fundraiser, collecting food or toiletries, or making a donation, your support will go a long way! Last year, we had hundreds of groups and businesses get involved by hosting food/supply drives, creating online fundraisers, or creating a special fundraising project at their business.

For more information, and to get involved, please reach out to Emily Osmialowski at emily@lighthousemi.org.

In 2022, our amazing supporters donated **1,111,230 pounds of food!**
(\$2,133,562 value)

Volunteering

Lighthouse volunteers help with a number of important projects, including packing and delivering food boxes, working at special events, assisting with distribution efforts, and more! You can join by yourself or register a large group. Last year, there were 5,109 volunteer shifts filled, with individuals donating 27,473 hours of service to help Lighthouse and our clients! Additionally, our volunteer drivers completed 14,520 deliveries of emergency food boxes to local families in need in 2022

Reach out to Gabrielle Fagan at gfagan@lighthousemi.org or visit www.lighthousemi.org/volunteer for more information and to get involved.

Events

Thank you to all of the sponsors, attendees, donors, and volunteers who helped make our events in 2022 such a success!

Lighthouse was excited to bring back **The Rent Party** in 2022! Historically, rent parties offered a DIY solution for families facing eviction in the 1920’s, playing a major role in the development of jazz and blues music. The 6th Annual Rent Party event on June 11th was an exciting block party in the Arden Park-East Boston Edison Historic District of Detroit. It featured historic home tours, a strolling dinner, and a night full of amazing music by some of the best local jazz performers. We raised over \$106,000 to support our shelter and housing programs!

To highlight our growth and the partners who support our life changing work, Lighthouse held our **2022 Annual Meeting** on September 13th at Kirk in the Hills. In addition to providing updates to the community, we also presented awards to some of the people and organizations who help make Lighthouse’s mission possible.

2022 LIGHTHOUSE AWARDEES

- Mission Possible Award: **Genisys Credit Union**
- Corporate Partner Award: **Borg Warner**
- Foundation Partner Award: **The Carls Foundation**
- Congregation Partner Award: **Christ Church Cranbrook**
- Community Partner Award: **Pontiac Housing Commission**
- Municipality Partner Award: **City of Oak Park**
- Outstanding Service Award: **Melanie Grund**
- Volunteer of the Year: **Amazon**

In 2022, we introduced a new event called **The Jingle Ball, a Season of Giving Gala**. This new winter-themed event replaced Dancing with the Stars after 13 successful years. The Jingle Ball took place on November 19th at The Townsend Hotel and featured a gingerbread house display, live music from Monica Notaro, winter-themed desserts, and more. Together, we raised more than \$293,000 to support Lighthouse’s mission.

Congregation Partners

It is an honor to work alongside our congregation partners towards our mission of building equitable communities that alleviate poverty.

Our congregation partners have stepped in to host food distributions, provide meals and activities at our emergency shelter, host food and personal care item drives, donate to support our efforts, and more! We appreciate each and every member of these congregations for their dedication and passion in helping Lighthouse clients.

Joseph and Lorri Zimmerman

LIFETIME GIVING

We want to express our deepest gratitude to some of the amazing supporters that have donated more than \$100,000 over their lifetime to help support the Lighthouse mission.
