

# Annual Report

2021

Building equitable  
communities that  
alleviate poverty.

# A Message from our President & Board Chair

## Dedicated Lighthouse supporters,

The past few years have been a time of significant growth and change at Lighthouse. In 2019, South Oakland Shelter (SOS) and Lighthouse of Oakland County (LOC) merged to form one organization, Lighthouse MI, aligning our resources to provide a stronger and more comprehensive response to poverty in our community. In 2020, the COVID-19 pandemic dramatically altered our community's social landscape, forcing Lighthouse to rapidly evolve our operating models and grow to meet a variety of emerging unmet needs. We are both astonished and inspired by the work our Lighthouse community has been able to accomplish together, particularly during such a challenging time for all of us.

Lighthouse endeavors to build equitable communities that alleviate poverty in partnership with and in service to individuals, families, and organizations. We have worked to bring the talents and assets of LOC and SOS together, maximizing our resources to serve as a beacon of hope for any neighbor in need. It has been an honor to work alongside our dedicated staff, volunteers, and community partners to help achieve our mission these past few years.

Lighthouse is assisting more people than ever before through our emergency food, shelter, housing, and financial stability programs, as we concurrently aim to address the systemic barriers to permanently ending poverty for so many struggling families. We were proud to celebrate the completion of Coolidge Place during the pandemic, a 64-unit affordable and supportive housing development in Oak Park, and to break ground on Carriage Circle, redeveloping 234 public housing units in partnership with the Pontiac Housing Commission; but with more than 40% of our community's renters and 70,000 owner-occupied households being cost-burdened, we will continue working to address affordability gaps for both groups.

The COVID-19 pandemic has changed our world, and more people have sought Lighthouse's assistance than ever before. In response, we have quadrupled the capacity of our emergency shelter, opened a family shelter, and exponentially expanded our food programs to serve thousands of households each week.

We are moved by the generous support our community has provided during this uniquely difficult period, enabling Lighthouse to respond the way we did, and we commend the kindness and selflessness of the many volunteers, donors, and congregational and community partners that stepped in to help Lighthouse along the way. We surely could not have done it without each one of you.

Although the future appears uncertain, we are confident that Lighthouse will be here to light the way and continue our life-changing work for those in need.

**Thank you for all you do to make our work possible. You are making a real difference in the lives of so many.**

*Ryan Hertz*

# Strategic Approach

South Oakland Shelter and Lighthouse of Oakland County merged on July 1, 2019. With over 85 years of combined experience, the new Lighthouse has grown and become a beacon of hope for more individuals than ever before.

**MISSION**  
We endeavor to build equitable communities that alleviate poverty in partnership with and in service to individuals, families, and organizations.

## LIGHTHOUSE CORE VALUES

-  **Compassion**  
Understanding that every person is unique and doing their best
-  **Equity**  
Striving for fairness and actively seeking out varying perspectives
-  **Advocacy**  
Amplifying the voices of those we serve and championing their interests
-  **Collaboration**  
Willingness to diminish self-interest for the sake of community needs, and to share our lessons learned
-  **Innovation**  
Eagerness to try new things and adapt to changing circumstances
-  **Stewardship**  
Honoring the trust placed in us by deliberately and transparently managing resources

# Programs

To accomplish our mission, our strategy is to address the immediate needs of people in crisis, provide long-term housing and economic solutions for households served, and create systems change largely by addressing affordable housing gaps throughout Oakland County.

We address the immediate, emergency needs of community members by quickly providing access to flexible, client-centered, and housing-first programming. Addressing systemic housing disparities, we work to develop high quality affordable housing in communities with enough amenities for families to thrive and be lifted out of poverty. Overall, our service approach is to provide immediate access to emergency services including food and shelter, while also focusing on long-term housing solutions and ongoing supportive case management services.

“When I’m having a bad day, they comfort me.”  
- Teri

Last fiscal year we served  
**27,314 individuals**  
with food throughout the entire county.

# Emergency Services

## Emergency Food Distribution

Lighthouse continues to distribute emergency food in ways that protect clients, volunteers, and staff from contracting and spreading COVID-19. From our newly established food warehouse we store, package, and distribute produce and shelf stable food boxes. Lighthouse makes every effort to provide well-balanced food boxes packed with fresh produce, milk, bread and pantry staples such as pasta, cereal, canned meats, peanut butter, jelly, soups and beans. We distribute through home delivery, curbside pick-up at our Pontiac and Clarkston pantries, and at offsite partner locations in Royal Oak, Ferndale, Clarkston, and Southfield. Home deliveries are happening through a network of volunteers and a partnership with Amazon delivery drivers.

## Homelessness Prevention

Preventing evictions protects families from the traumas of experiencing homelessness and aids them in more swiftly regaining stability. In 2021, we received nearly \$14M in funding to specifically assist households financially impacted by the pandemic and at-risk of eviction. This is nearly 200X the funding Lighthouse has received in the past for eviction prevention services.

Across all of our eviction prevention programs, Lighthouse assisted **1,232 households** in preventing their eviction and maintaining their housing.

## Emergency Shelter

Lighthouse provides emergency shelter to men, women, and children experiencing homelessness. Since the onset of the pandemic, Lighthouse has been sheltering households within a hotel setting to prevent the risk of exposure to clients, volunteers, and staff. We also established a new, permanent family shelter in 2021. While we are in the process of rehabbing the shelter facility, including adding a communal kitchen, this program addition provides the community with 18 units and 54 beds of emergency shelter dedicated to families. Of those who exited our shelter programs, 60% transitioned from shelter to housing in 2021.

In 2021, Lighthouse served **428 individuals** (including 237 children) with **38,833 nights** of emergency shelter, daily meals, and essential services to connect them to housing.

“THANK YOU to everyone at Lighthouse. If it wasn’t for this program, I don’t know where I would be. I would be on the streets with my children.”  
- Shakira

# Stability Services

## Rehousing Programs

Lighthouse implements a variety of housing programs that move households from homelessness to housing. Some programs offer long-term financial assistance for those experiencing domestic violence or those who have experienced chronic homelessness, and others assist households who are experiencing homelessness for the first time and need just a few months of assistance to regain stability. All programs are client-centered and provide each household with flexible and tailored housing and supportive services.

Across all our housing programs in 2021, Lighthouse served **569 individuals** from **238 households**

## HandUp

Many of the needs households have are unique or not covered by existing grant and funding streams. Lighthouse helps households meet these needs through our flexible online fundraising platform, HandUp. Since inception, we have raised over \$7.3 million on HandUp to support projects and clients from 119 organizations in the United States. These funds have helped 10,209 clients meet their goals by providing funds for housing, transportation, education, medical expenses, and other basic needs.

## Supportive Services

We believe that access to ongoing supportive services greatly assists households in quickly resolving, and in some cases totally preventing, crises. We strive to build trusting, transparent, and ongoing relationships with those we serve - relationships that allow households to reach out without hesitation should they have a question or problem with which they need help. Our supportive services center around helping households retain their housing and increase their overall stability. If enrolled in one of our housing programs, including those who have exited our shelter into housing, households are provided with consistent in-home case management. Clients and case managers work together to establish service plans that are specific to clients' needs, goals, and desires. Supportive services may include connection to benefits such as social security and SNAP, landlord engagement to help households with lease compliance, access to basic needs such as transportation and personal care items, and referrals to other service providers.

**95% of clients** that exited from Stability Service programs retained their housing and increased their self sufficiency in 2021.

Households who are enrolled in our Center for Working Families programs receive personalized and intensive employment and financial coaching. Center For Working Families served 89 households in 2021 with 43 of those households meeting two or more key outcomes that positively affected their long-term success. For those who reach out and are not connected to a Lighthouse program, we provide over the phone screenings, referrals, and resources.

*"Lighthouse helped us A LOT. I couldn't find anywhere to live, and Lighthouse helped me find a house to rent."*

- Kim

# Systems Change & Community Development

## Affordable Housing Development

While it is critical that we meet the emergency needs of those experiencing poverty, to truly address multigenerational systemic poverty we must go beyond resolving household level crises. We must also provide long-term affordable housing options that provide families with the foundation needed to focus on long-term goals, achieve stability, and end intergenerational poverty. Tens of thousands of Oakland County households are rent burdened -- paying more than 30% of their pretax income on rent. Oakland County needs more affordable options throughout the entire county. Lighthouse addresses this need through a multifaceted strategy that currently includes building and developing new affordable housing and acquiring and renovating existing affordable housing.

Through these efforts, in 2021 Lighthouse partnered with the Pontiac Housing Commission to secure \$40.3M to rehab 234 affordable housing units at Carriage Circle. Scheduled to be complete during 2022, this project will greatly improve the quality of life of the over 300 residents.

In 2021, Lighthouse also operated affordable housing units in Oak Park at our Coolidge Place Development. Coolidge Place is a 64-unit affordable housing complex, made up of townhouses and ranch-style apartments, green space, and a community center.

# Events

**Thank you to all of the sponsors, attendees, donors, and volunteers who helped make our events in 2021 such a success. We were excited to return to in-person events after such a long break!**

**A Night of Inspiration** was held on September 30th at the Royal Oak Farmers Market. We were excited to welcome guests to this amazing one-time event, which featured music and dancing by Your Generation in Concert and gave us the opportunity to share our hard work throughout the pandemic with our partners and supporters. We raised more than \$61,000 and were thrilled to bring back our annual awards at the event.

## 2021 LIGHTHOUSE AWARDEES

Mission Possible Award: **Oakland County Executive Team**

Congregation Partner: **Calvary Evangelical Lutheran Church**

Outstanding Service Award: **Dennis Blender**

Corporate Partner: **PNC Bank**

Foundation Partner: **Vera and Joseph Dresner Foundation**

Municipality Partner: **City of Royal Oak**

Community Partner: **COVID-19 Emergency Response Team - Oakland University & Pontiac Community Foundation**

**The 13th Annual Flagstar's Dancing with the Stars** event was a hybrid event featuring virtual performances and an in-person watch party. Thanks to the help of Arthur Murray Dance Studio in Royal Oak and our celebrity dancers, the event was a huge success. Guests were able to join us in-person at The Townsend Hotel and online via Zoom and social media. Together, we raised more than \$276,000 to support Lighthouse's mission, making it the most successful Dancing with the Stars event to date.

We are excited to be bringing back **The Rent Party** in 2022! Historically, rent parties offered a DIY solution for families facing eviction in the 1920's, playing a major role in the development of jazz and blues music. The event features historic home tours, a strolling dinner, and a night full of amazing music by some of the best local jazz performers. Learn more at [www.therentparty.org](http://www.therentparty.org).

A Night of Inspiration

Dancing with the Stars

# Shine Your Light for the Holidays

Lighthouse aims to provide holiday cheer to local families in need throughout the holiday season. Our Thanksgiving Food Basket and Adopt-a-Family programs bring a little help and hope to thousands of individuals each year. These programs are made possible because of thousands of supporters who make donations, host food drives, and adopt families in need.

## THANKSGIVING:

In 2021, more than 75 groups stepped up to host food drives and they donated tens of thousands of pounds of food for our Thanksgiving program. With their help, Lighthouse was able to provide a full Thanksgiving Meal to more than 2,200 local families.

## ADOPT-A-FAMILY:

Last year, nearly 600 local families in need were adopted for the holidays thanks to the generosity of local individuals, families, and organizations. We are so thankful to help bring joy to so many men, women, and children during this special season.

# Volunteerism & Community Partnerships

**Lighthouse could not provide assistance to so many families in need without your help! Be a part of our community's response to poverty. To volunteer, advocate, or donate please contact us at [beacon@lighthousemi.org](mailto:beacon@lighthousemi.org) or 248.920.6000.**

*"I learned there are wonderful people out there who will help. It restored my faith in people."*  
- Mazi

## Community Partnerships

We rely on local businesses, organizations, and groups to help us meet the basic needs of our clients. Whether you're interested in hosting a fundraiser, collecting food or toiletries, or making a donation, your support will go a long way! Last year, we had hundreds of groups and businesses get involved by hosting food/supply drives, creating online fundraisers, or creating a special fundraising project at their business.

For more information, and to get involved, please reach out to Emily Wood at [emily@lighthousemi.org](mailto:emily@lighthousemi.org).

## Volunteering

Lighthouse volunteers help with a number of important projects, including packing and delivering food boxes, working at special events, assisting with distribution efforts, and more! You can join by yourself or register a large group. Last year, there were 6,953 volunteer shifts filled, with individuals donating 25,855 hours of service to help Lighthouse and our clients! Additionally, our volunteer drivers completed 38,913 deliveries of emergency food boxes to local families in need in 2021.

Reach out Marci Fitch at [marci@lighthousemi.org](mailto:marci@lighthousemi.org) or visit [www.lighthousemi.org/volunteer](http://www.lighthousemi.org/volunteer) for more information and to get involved.

# Congregation Partners

It is an honor to work alongside our congregation partners towards our mission of building equitable communities that alleviate poverty.

Our congregation partners have stepped in to provide meals and activities at our emergency shelter, host food and personal care item drives, donate to support our efforts, and more! We appreciate each and every member of these congregations for their dedication and passion in helping Lighthouse clients.
